Birthday Parties

Enjoy an awesome Birthday Party with Jim Heebner or one of our enthusiastic leaders. Jim has been teaching children locally for more than 20 years. He's a physical education teacher, tennis teacher and owner of Sports and Fun.

Hula-Hoop/Jump Rope Party (K-2)

Starting with the classic Hula-Hoop around the waist, run through the hoop and twister with the hoops. Also, kids will jump rope with individual ropes, long- turning ropes in groups of three or four. Depending on age, we won't forget slice of lemon and snake in the grass.

Soccer Party (K-5)

This will include a variety of warm-ups, drills and fun games. They will be playing a scrimmage game and at the end will try to score against the teacher in the Jolly Rancher Challenge.

Ball Sports Party (2-5)

This party will combine kickball, dodgeball, and teamball. This is a very sporty party and it's a bit competitive.

Favorite Games Party (K-5)

This is very popular party for all grades. A combination of all-time favorite games tailored to the specific grade level.

Circus Acts Party (2-5)

This is a very low-key, a lot of fun and one of my favorite parties. The kids will be able to try a variety of circus acts, such as: Diablo's, juggling sticks, yo-yo's, spinning plastic plates, spin jammer, and several other things. At the beginning of the party they will receive a juggling lesson.

Design Your Own Party (K-5)

I will work with the birthday child and we'll plan the party together. The kids will definitely enjoy this one.

Birthday Parties are between: Sat 10-12pm or 2-4pm

One parent must be present at all times. If someone gets hurt or walking the kids to the bathroom.
K & 1st for 1 hr (8-14 kids \$160, 15-20 Kids \$190) 2nd-5th for 1 1/2 hrs (8-14 kids \$180, 15-20 Kids \$220)

Located at a local Park or in your backyard will work if it's grass and good size.
